

Professional Civil Engineer

Lowry Engineering is seeking to hire an experienced licensed Professional Civil Engineer to be based out of our Fargo, ND office. With our values of integrity, teamwork, quality, and community at the forefront, we have been able to build lasting relationships with our clients and provide solutions to complex projects. From projects big to small, we focus on commercial & industrial site development as well as municipal and roadway improvement projects. Our vision is to be the choice firm of our clients and community by the way we do business.

This full-time position offers the opportunity to lead a team of project designers as well as engage with clients, architects, and other various stakeholders. Engineers are expected to ensure every project is delivered on time, within budget, and meets client expectations. Come be part of an established yet growing company!

Job Responsibilities:

- Planning, design, specifications, reports, and contract documents relating to sewer, water, storm sewer, roadways, parking lots, and pedestrian access projects
- Coordination and correspondence with governing entities, project architects, sub-consultants, and owners
- Prepare project proposals as well as engineering estimates
- Manage staff to complete projects on time and within budget
- Travel to visit job sites as needed to support projects
- Be a trusted advisor to the clients you serve

Qualification Requirements:

- Licensed Professional Civil Engineer (ND and MN preferred, or ability to obtain license in ND and MN within 6 months), with 8+ years of experience
- Self-Motivated with strong leadership skills and ability to work in a team environment
- Ability to manage multiple projects
- Proficient in AutoCAD Civil 3D, HydroCAD, Microsoft Office or equivalent software
- Excellent oral and written communication skills
- Must have a valid driver's license

Benefits:

- Employer Paid Family Health Insurance and Short and Long Term Disability plans
- 401(k) plan with employer match, and more!
- Flexible Schedule
- Training & Growth Opportunities

Why do our employees enjoy working at Lowry Engineering? Here is what they had to say:

- "Small Company Vibe, Big Company Benefits"
- "Great Company Culture"
- "Pay It Forward Program"

If you are interested in joining our Team, please send your resume and cover letter to info@lowryeng.com.
