

Neset Land Surveys in Fargo ND has an opening for a Land Surveyor/Crew Chief. The applicant should be highly motivated and willing to accept a responsible position as a leader on a field survey crew. The applicant shall work directly under the direction of the principal PLS.

Primary duties shall include but are not limited to topographic survey, construction layout, ALTA and boundary surveys.

Skills necessary for the position are as follows:

- Trimble GPS and Robotic survey equipment
- Working knowledge of the most recent version of AutoCAD Civil 3D
- Possess a valid driver's license
- Willing to accept that minimal overnight travel may be required
- Traditional survey equipment common to the industry, i.e. conventional total station, auto level etc...

It is preferred that the applicant have at least 3 years of active field survey time and have a degree or certificate in a related field. Applicants with less experience may apply as there are multiple positions open.

This position is full-time with a benefits package including Health Insurance, PTO, and a performance bonus program up to 25% of base pay.

Wage depending on experience.

Applicants may apply by email cneset@nesetsurveys.com or by Mail to 1111 Westrac Dr. Ste. 108, Fargo, ND 58103
