2022 Summer Internship

Location: Bismarck, ND

Lowry Engineering is now accepting applications for a 2022 summer intern! This position will work out of our Bismarck, ND office. Our internship program provides students with the opportunity to participate in on-the-job training, planned social events, and educational opportunities. Students are expected to use project management skills to execute multiple project tasks simultaneously.

Job Responsibilities:

- Construction inspection
- Surveying
- Performing construction administration duties such as documenting activities, measuring and testing, providing general oversight and interacting with contractors, sub-contractors, and city staff
- May assist with general office duties, quantity calculations, estimates and project design
- Other duties as assigned

Qualification Requirements:

- Minimum of two years completed towards earning a B.S. in Civil Engineering or related field
- Proficient in Microsoft Office (Excel, Word, PowerPoint, Outlook)
- 2.5 GPA required or higher
- Excellent oral and written communication skills
- Must have a valid driver's license
- Must be able to travel
- Ability to speak and write English clearly
- Ability to perform physical work
- Ability to actively listen to others for understanding of their needs and situations
- Work in all weather-related conditions

We are looking for students who possess strong strategic, analytical, and creative thinking skills, as well as demonstrate leadership and initiative.

Please send resume and cover letter to info@lowryeng.com or mail to:
